## Fireball Ministry

Dead have been risen
Never forgiven
The kingdom of hatred
Born understatedMaybe I could find the one that wasn't here before
Beaten down under the rising sun
Fell from grace before you had the chance to learn to run
Tell the truth before your time is doneFathers before us
Honored as pious
The ashes of seven
Raining down from heavenMaybe I could find the one that wasn't here before
Beaten down under the rising sun
Fell from grace before you had the chance to learn to run
Tell the truth before your time is doneFall in, Fallout
