

Strangers in the Night

Frank Sinatra

Strangers in the night
Exchanging glances
Wondering in the night
What were the chances
We'd be sharing love
Before the night was through?
Something in your eyes
Was so inviting
Something in your smile
Was so exciting
Something in my heart told me I must have you
Strangers in the night, two lonely people
We were strangers in the night
Up to the moment when we said our first hello
Little did we know
Love was just a glance away, a warm embracing dance away
And ever since that night
We've been together
Lovers at first sight
In love forever
It turned out so right
For strangers in the night
Love was just a glance away, a warm embracing dance away
Ever since that night
We've been together
Lovers at first sight
In love forever
It turned out so right
For strangers in the night
Doo-bee-doo-bee-doo
Doo-doo-dee-dah, dah-dah-dah-dah-dah...
