

I'm Gonna Do Something the Devil Never Did

Willy DeVille

Out in the street
out in the street
the trucks will leave
the trucks will leave
so will i
i'm leaving her alone excuse me for falling apart, falling apart, it's just
my heart
its' just my heart
looks like i'm ready to go
looks like i'm ready to go
i'm gonna do something the devil never did
i'm gonna do something the devil never did
i'm gonna do something the devil never did
i'm gonna leave you alone i look back down
and i look back down
those busy streets
those busy streets that you go
and you'll go it alone
i'm gonna do something the devil never did, babe
i'm gonna leave you alone
i'm gonna do something the devil never did
i'm gonna leave you alone
i meant never to run
i meant never to run, babe
i'm gonna go now before my eyes cry
in the comfort of the cold
in the comfort of the cold
i'm gonna do something the devil never did
i'm gonna do something the devil never did
i'm gonna do something the devil never did
i'm gonna leave you alone
i'm gonna leave you alone
i gotta go
