

# That's Love For You

Steve Wariner

Well, you say you wanna  
Know where I stand, before you fall  
You say love's definition  
Is not the same for us all Well, I can understand why you're afraid  
And just so we're both on the same page  
Let me try and make this whole thing clear I'm talkin' pure devotion  
A won't be denied emotion  
Deeper than the ocean  
Well, that's love for you It's unexplainable  
Uncontainable, irreplaceable  
Well, you know that it's true  
That's love for you You'll see my interpretation of love  
Is right on the mark  
If you'll give me half a chance  
And follow your heart Forever's what I've got in mind  
So, let me say this one more time  
And make it as simple as I can I'm talkin' pure devotion  
A won't be denied emotion  
Deeper than the ocean  
Well, that's love for you It's unconditional  
Irresistible, unpredictable  
Well, you know that it's true  
That's love for you I'm talkin' pure devotion  
A won't be denied emotion  
Deeper than the ocean  
Well, that's love for you It's unbelievable  
It's invincible, indivisible  
Well, you know that it's true  
Well, that's love for you
