

Happiness

Built to Spill

havent had half a hand ____ half of what i am havent heard of half the things that happened in the past havent given half the time to half the people who have the things ive planned you dont have to be so cruel, 'cause all i do is a little lesson when i can happiness will only happiness will only happen when it can happen when it can havent had the half of mind to ____ to start to take a stand havent held on half as long, as i had hoped as i had hoped ____ havent missed half the shit, they said id never have? a chance happiness you dont have to be so cruel 'cause all i do is a little lesson when i can happen happiness happen happiness happen happen happiness
