The Naked and Famous

I am weary from all of the games Im not hearing any other wayShut my eyes Head rest on my hands Quietly Hiding once againOoo-ooo-ooo 000-000-000-000 000-000-000 Ooo-ooo-oooJilted lovers Sleeping in the unrest How do we survive to make amends? Fight the lies Voices in my head multiply I am such a messOoo-ooo-ooo 000-000-000-000 000-000-000 000-000-000
