

Regrets of Love

BTOB

It's used to be we, but now it's just me.

So, I'm hoping that I can forget you, eternally.

So regrets of love
I wish we could have at least understood each other
The fact that I can't see you is the hardest
because I still love you
I don't wanna leave you
luv baby

I still love you
You're in my heart
no no
yeah
