Do Right Woman, Do Right Man

[Aretha Franklin](#)

Take me to heart and I'll always love you
And nobody can make me do wrong
Take me for granted, leaving love unsure
Makes willpower weak and temptation strongA woman's only human
You should understand
She's not just a plaything
She's flesh and blood just like her manIf you want a do right, all day's woman
You've gotta be a do right, all night manYeah, yeah, they say that it's a man's world
But you can't prove that by me
And as long as we're together, baby
Show some respect for meIf you want a do right, all day's woman
You've gotta be a do right, all night manA woman's only human
This you should understand
She's not just a plaything
She's flesh and blood just like her manIf you want a do right, all day's woman
You've gotta be a do right, all night man
You've gotta be a do right, all night man
