N.E.R.D

[Intro: Pharrell Williams]

Yeah

(yeah)

Here we go now

Yeah

(yeah)

Here we go now[Verse 1: Pharrell Williams]

Play with us before we melt

Errybody enjoy yourself

The best part is the middle of me

I'm your sponge baby go on and squeeze[Pre-Chorus 1: Pharrell Williams]

I'm better than pillows, won't you believe me

Squeeze me[Chorus]

Squeeze me till I pop

Squeeze me till you drop

Yeah, here we go now

Yeah, here we go now[Verse 1][Pre-Chorus 2: Pharrell Williams]

I'm like cute aggression, won't you believe me

Squeeze me[Chorus][Verse 2: Shay]

Dang, dang, diggy-dang

Everybody [?] the rain

Tell me shine like a chain

Wipe it up like a stain

Uppercut, yup again

A double dutch with lil Wayne

Do it till you vomit again

The job done now[Pre-Chorus 3: Pharrell Williams]

So refreshing, won't you believe me

Squeeze me[Chorus][Verse 3: Shay]

Oh how [?] now

Come again with the hot smile

Hydro glow style

Jelly fish with the hot gals

Adidas let me go far out

So you could be the superstar now

Get a big head that's round

Mrs Puff style[Pre-Chorus: Pharrell Williams]

Better than your teddy bear, won't you believe me

Squeeze me[Chorus]
