

Poison

French Affair

I - I can't get over you
I don't know what to do
Coz' I'm still caught in you
I - Can't get away from you
I 'm feeling so confused
Coz' I'm still wanting you - (I'm still wanting you) I need your kiss - think I need it too much
I need your love - think I better don't touch
I need to hold you - think I need it too much
I need to love you - think I better don't touch It's like poison
I'm caught in your web
Deep under my skin you make me sweat
You're like poison
my senses say stop
But I can't help, I want your love You - You're such a cruel device
You've got a heart like ice
I can't get over you - no, no, no, no, no, no, no
Each time - Each time you call my name
It helps to ease the pain
Coz' I'm still caught in you - (I'm still caught in you)
