Ready to Get Down (Slam Funk Remix)

Leona Lewis

Do you wanna get down baby tell me if you wanna get down baby
Do you wanna get down baby tell me if you're readyI saw you walking flossing boy you caught my eye
You made me glad I came here tonight
I wanna be the first to dance with you right now they're playing my song
Can I see if you wanna get it on?But you're looking kind of right
Why you standing against the wall
I wanna dance with you tonight
Lets forget about the small talkAll that I need to know is
Are you ready do you wanna get down?
Cause I just wanna dance with you
You look like you're good tonight
Cause really ready ready to get down
So won't you show me what you wanna doI can see in your eyes you specialize in making your body work
Gonna give me what I deserve
And yes I'm ready to receive you gonna give you all I got
And I know that you'll be keeping me hot
But you're looking kind of right
Why you standing against the wall
I wanna dance with you tonight
Lets forget about the small talkAll that I need to know is
Are you ready do you wanna get down?
Cause I just wanna dance with you
You look like you're good tonight
Cause really ready ready to get down
So won't you show me what you wanna do
