

# Map of the Problematique (AOL Session)

## Muse

Fear, and panic in the air  
I want to be free  
From desolation and despair  
And I feel like everything I saw  
Is being swept away  
When I refuse to let you go I can't get it right  
Get it right  
Since I met you Loneliness be over  
When will this loneliness be over Life will flash before my eyes  
So scattered almost  
I want to touch the other side  
And no one thinks they are to blame  
Why can't we see  
That when we bleed we bleed the same I can't get it right  
Get it right  
Since I met you Loneliness be over  
When will this loneliness be over  
Loneliness be over  
When will this loneliness be over
