## Brad Mehldau Trio

Count down the times I tried make you mine  
Cryin' out - Count down the times I tried to - Tried to make you mine  
Well my heart goes out to you in your time of need  
But you cause me pain most every time you breathe.  
Cryin' out- cause me pain every, every time you breathe.  
Well you said you'd love me 'til death took you home  
But you stayed out late always doin' me wrong

Cryin' out - stayed out late always - always doin' me wrong  
So I'm leavin' in the morning if I have to ride them lines  
You done stole my heart but you can't take my mind  
Cryin' out - stole my heart but you - you can't take my-  
Well you stole my heart and damn near drove me mad - I gotta get back home to my mama and dad  
Cryin' out - stole my heart and baby - get back home to my - get back home to my-
