

The Magicians Birthday

Uriah Heep

In the magic garden
Some were singing
Some were dancing
While the midnight moon
Shone brightly overheadThe stars so gaily glistened
And the sphinx in silence listened to
The magician tell of
Lives that he had ledLet the bells of freedom ring
Songs of love to Friday's kingLet's all go to
The magician's birthday
It's in a forest
But not so far away
Much to do
And so much to say
While we listened to
The orchid orchestra playHappy Birthay to you
Happy Birthday to magician
Happy Birthday to youThen at the dead of midnight
As we watched the dancing firelight
The air grew cold
And seemed to dull the flame
The fire died
The music faded
Filled with fear of death we waited
For now we knew
Some evil was to blameI challenge you
I challenge you all
For all you own
And all you know
And by all the powers of darkness
I will steal what is mineSurrender now or face my spite
I grant you it may be Friday night
But did you know this day
Also numbers thirteenFirst I'll give you fire
I turn your fire into a sleepy stream
Yes, now I give you nightmares
From your horror I'll create a dreamYou cannot fight me
For I have the sword of hate
But one thing you can't see

My answer is simply
An impenetrable fortress
Of love, love, loveThe fear went as quickly as it came
The air was clear
The fire burned again
The flames leapt
The organ played
The swans sang
To greet the day
And then we knew that
Love will find love will find love
