Tennessee

Mindy Smith

Tennessee, you've been good to me
Yes, I've come to believe, you're where I wanna be
You may not be what everybody needs
Tennessee, you're good enough for meI can see stars shining in your night
Your day time scenes like [Incomprehensible]
They may not be what everybody needs
But they touched my soul and that's good enough for meIt's been ten years now and I'm rooted in your soul
I'm rooted in your soul
Give me ten more years, I'll be rooted in your soul
Right here in your soulYou may not be what I will always need
But I call you home, if I can call you home
Then you're good enough for me
