

None of Us Are Free

Ray Charles

Well you better listen my sisters and brothers
'Cause if you do you can hear
There are voices still calling across the years And they're all crying across the ocean
And they're crying across the land
And they will till we all come to understand None of us are free
None of us are free
None of us are free, one of us are chained
None of us are free And there are people still in darkness
And they just can't see the light
If you don't say it's wrong then that says it right We got try to feel for each other
Let our brothers know that we care
Got to get the message, send it out loud and clear None of us are free
None of us are free
None of us are free, one of us are chained
None of us are free It's a simple truth we all need, just to hear and to see
None of us are free, one of us is chained
None of us are free, now I swear your salvation isn't too hard too find None of us can find it on our own
We've got to join together in spirit, heart and mind
So that every soul who's suffering will know they're not alone None of us are free
None of us are free
None of us are free, one of us are chained
None of us are free If you just look around you
You're gonna see what I say
'Cause the world is getting smaller each passing day Now it's time to start making changes
And it's time for us all to realize
That the truth is shining real bright right before our eyes None of us are free
None of us are free
None of us are free, one of us are chained
None of us are free None of us are free
None of us are free
None of us are free, one of us are chained
None of us are free None of us are free
None of us are free
None of us are free, one of us are chained
None of us are free
