Yeah! Gonna make it better.
Yeah! Gonna make it right!
Here it is, there's no way to make it better.

I'm serious, troubled genie's on the way
Gotta a little something for you, it's pressure (pressure) it gets yaNo it ain't what you know
But I knew that anyway
I can't let this pressure go
This pressure's here to stay yeahChorus:
Yeah! (White Knuckle Ride)
Gonna make it better
(White Knuckle Ride, I'm on it baby)
Yeah! (White Knuckle Ride)
Gonna make it right
(White Knuckle Ride, I'm on it)
It's not so easy to control (pressure)
It's not so easy to control (pressure)
There's no easy way to make it betterThere it is (there it is)
Couldn't change it if I wanted

Step into the light
Don't know if I can recover (don't know if I can recover)
Got me round its little finger (Got me round its little finger)

Couldn't change it if I wanted
Taste it all the time
Step into the light
Don't know if I can recover
Taste it all the time
(I taste it all the time, yeah!)Chorus:
Yeah! (White Knuckle Ride)
Gonna make it better
(White Knuckle Ride, I'm on it baby)
Yeah! (White Knuckle Ride)
I know I'm gonna make it right
(White Knuckle Ride, I'm on it)
It's not so easy to control (pressure)
