Count on My Love

Kai

Count on the rain
It's gonna fall
There will be days
When you'll wonder
if you can keep holding on
And as hard as you'll try
There will be nights
When you'll feel like
you're gonna break down and cryAlone and in need
If you say a prayer
And reach out to me(chorus)
I will be here
Right by your side
Count on my love
Everyday of your life
I will be here
Pulling you through
Count on me loving youCount on a dream
Falling apart
There will be times
When you'll feel
the whole world is
breaking your heartAnd when you're afraid
If you close your eyes
and call out my name(chorus)Through all your tears
And through all the pain
You can count on my love
Every step of the way(chorus)
