Now and Forever

Kyle Grant

What would I do
If you took your love away from me
What would I say
I could never make it without you
Yes it's true
I wanna be with only you
Chorus
Now and forever
You and me together
I can't believe it's true
I'm so in love with you

Now and forever
You and me together
I wanna be with you
Now and forever and ever
Being with you
Feels like the sun on a Saturday
Every night
I find myself dreaming of just you
Yes it's true
I wanna be with only you
Chorus
