

Dancing

Bauhaus

Dancing on hot tiles
Dancing on tender hooks
We're dancing down Church aisles
Dancing on Holy Books
Dancing on crocodiles
Dancing on hallowed ground
Dancing Nyjinsky style
Dancing with the lost and found
Dancing on Rock 'n Roll's grave
Dancing on burning coals
Dancing on "Jesus Saves"
Oh, dancing with the old scratched souls
Dancing on flick knives
Dancing a stiletto groove
Dance our nine lives away
Dancing in the Louvre
LouvreDancing in catacombs
Dancing in tuxedo drag
Dancing in dark rooms
Dancing all over flags
In the Vatican
On the Papal gown
On the taxman
On the crown
We're dancing to the dark side of this tune
We're dancing to the dark side of this tune
