

Self Made Man

Morcheeba

Sun shines
They must've made the hay
Hey, make the hay
Got mounting bills
You need to pay
No time to play There's no such thing
As a self made man
'Cause everyone
Needs a helping hand There's no such thing
As a self made man
Enjoy the floors
In the best laid plans Though sacrifices all the way
All along the way
Indulge in vices so cliché
Shame it's so cliché There's no such thing
As a self made man
It's not too hard
To understand There's no such thing
As a self made man
Enjoy the floors
In the best laid plans Now, all your friends
Have flown away
Flown, flown away
You blew your chances
All away
Blown, blown away There's no such thing
As a self made man
'Cause everyone
Needs a helping hand There's no such thing
As a self made man
Enjoy the floors
In the best laid plans No such thing as
A self made man
No such thing as
A self made man
