

# Ride the Wind (2006 - Remaster)

## Poison

Hearts of fire  
Streets of stone  
Modern warriors  
Saddle iron horses of chrome Taste the wild  
Lick the wind  
Like something they never saw before  
Their jaws dropping to the floor  
Steel made of soul and sin Rebels born without a care  
(And the day he listens)  
Only to fly where eagles dare  
And the night she whispers Ride the wind  
Never coming back until I touch the midnight sun  
(Ride the wind)  
(Never coming back again)  
Ride the wind  
Never coming back until I touch the midnight sun Painted flesh  
Loyalty  
Humble pride  
Just as far as the eye can see Stories told  
Two old friends  
Of battle scars and lonely bars  
And nights the rain wouldn't end Here's to withered eyes wearing gypsy smiles  
(And the day he listens)  
Here's to lovely ladies and a million miles  
And the night she whispers Ride the wind  
Never coming back until I touch the midnight sun  
(Ride the wind)  
(Never coming back again)  
Ride the wind  
I'm still the bravest soul in sin  
Burning till the night is done Of all the truths and lies  
And stories of riders in the sky  
They say only the bravest try  
Where eagles and angels dare to fly Ride the wind  
Never coming back until I touch the midnight sun  
(Ride the wind)  
(Never coming back again)  
Ride the wind  
Never coming back until I touch the midnight sun Ride the wind

Never coming back until I touch the midnight sun

Ride the wind

Never coming back again(Ride the wind)

(Never coming back again)

Ride the wind

Never coming back until I touch the midnight sun
