Dangerous

The Vamps

So wake me up,
?Cause I've been asleep now, for days
How do I get up?
Oh, oh, oh.
Oh, oh, oh.

And way back when,
We used to fall hard, in love
How to mess it up?
Oh, oh, oh.
Oh, oh, oh.

This ain't the end of us,
Darling let me show you,
I am good enough,
Maybe in the end I should've toughened up,
Not self-destruct,
But I'll see her again,

Met a girl and she is dangerous,
Hope I knew her, but I just can't get enough
I'm struck
She's gonna tear me up.
A million voices never mean to never give you up.
Shouldn't listen, I'm addicted to this darker love.
And this is dangerous, for me.

I must confess,
I'm feeling guilty.
My conscience is heavy,
I'm a wreck.
Oh, oh, oh.
Oh, oh, oh.

This ain't the end of us,
Darling let me show you,
I'm not giving up,
I tried to tell myself that I can toughen up,
Not self-destruct,

But I'll see her again,

Met a girl and she is dangerous,
Hope I knew her, but I just can't get enough
I'm struck
She's gonna tear me up.
A million voices never mean to never give you up.
Shouldn't listen, I'm addicted to this darker love.
And this is dangerous, for me.

Even though I said I'm sorry,
I still go back.
Always go back.
Back to her.

This ain't the end of us,
Darling let me show you,
I am good enough
Maybe in the end I should've toughened up,

Met a girl and she is dangerous,
Hope I knew her, but I just can't get enough
I'm struck
She's gonna tear me up.
A million voices never mean to never give you up.
Shouldn't listen, I'm addicted to this darker love.
And this is dangerous, for me.
