

Homesick

The Cure

Hey, just one more and I'll walk away all
The everything you won turns to nothing today
I forget how to move when my mouth is this
Dry and my eyes are bursting hearts in a bloodStained sky, yeah, it was sweet, it was wild and oh
How we I trembled stuck in honey, honey
Cling to me so just one more, just one more go
Inspire in me the desire in me to never go homeTo never go homeHey, hey, just one more and I'll walk away
All the everything you won turns to nothing today
[Incomprehensible], just one more go inspire in me
The desire in me to never go home
To never go home
