Hey Hey You Say

Papas Fritas

Who needs a nurse?
Who called the hearse?
Who took the chance?
Who wants to dance?
Who'll lift the curse?Swim in a lake
Get up and shake
Turn up the noise
Turn off the boys
Give us a breakMan on the telephone
Won't ever let me
Man on the telephone say
Hey hey you saySpike up the nerve
Don't miss the serve
Cheat in the game
It's all the same
Fall of the earthGather the flock
It's not a shock
Sick of the sauce
We're at a loss
We wanna rockMan on the telephone
Won't ever let me
Man on the telephone
Won't ever catch meMan on the telephone
Won't ever hear me
Man on the telephone say
Hey hey you say
