Utada Hikaru

Omoidaseba haruka haruka
Mirai wa dokomademo kagayaiteta
Kirei na aozora no shita de
Bokura wa sukoshi dake obieteita
Natsukashii iro ni mado ga somaru

Mae wo muiteba mata ae masu ka
Mirai wa doko he demo tsuduiteunda
Ooki na kanban no shita de
Jidai no utsuroi wo mite itai na

Nido to aenu hito ni basho ni
Mado wo akeru

Omoidaseba haruka haruka
Mirai wa dokomademo kagayaiteta
Kirei na aozora no shita de
Bokura wa itsumademo nemutte ita

Zutto mae ni suki datta hito
Fuyu ni kodomo ga umareru sou da
Mukashi kara no kimari koto wo
Tama ni utagai taku naru yo
Zutto wasurerare nakatta no
Nengajou wa shashin tsuka na
Watashi-tachi ni dekina katta koto wo
Totemo natsukashiku omou yo
