

We All Are on the Goodside

Farhan Akhtar

We all are on the goodside
We all are on the goodside
We all are on the good goodside No wrong, no right
No black, no white
No line and no divide We all are on the goodside
We all are on the goodside
We all are on the good goodside You may say I'm a dreamer
But I'm not the only one
Lennon mused over his piano
As he sat in the sun Let love watch down on us
Let humanity rain
Let our hearts beat together
For each other again No hate, no greif
No race, no creed
No lie and no divide We all are on the good side
We all are on the good side
We all are on the good good side Well the times they are a changin'
Said Dylan to me
Strip away your prejudices and
Set your mind free People all over the world
We made the same reflections, of each other
With differnt names No mine, no yours
No bias, no cause
No line and no divide divide divide We all are on the goodside
We all are on the goodside
We all are on the good goodside We all are on the goodside (goodside)
We all are on the goodside
We all are on the goodside (goodside)
We all are on the goodside
We all are on the goodside (goodside)
We all are on the goodside
