## Spice Girls

Hey, hey, hey, hey  
Hey, hey, hey, hey  
Hey, hey, hey, hey, party-la Look in the mirror, behind the makeup  
Like what you see, not foolin me  
I get the picture, you got perfection  
Think you're a star, know what you are Hey, great pretender, time to break free  
A kinda magic lookin at me  
Cause the fevers gonna get you, yeah, yeah Got to be strong, believe in your power  
Then you will see, now just trust in me  
Everything changes when you relate it  
Get up and use it positively Shake up the dance floor, move like you mean it  
Own your potential reality  
'Cause the fevers gonna get you, yeah, yeah Get up and use your voodoo  
You know you want it bad  
You wanna lead the way, yeah, you do  
Be the best, you know you can Get up and use your voodoo  
Get your booty to the floor  
You gotta line em up, left, right, dont stop  
And leave em wanting more Hey, hey, hey, hey, party-la  
Hey, hey, hey, hey, party-la Shake up the dance floor, you got perfection  
Get up and use it positively  
'Cause the fevers gonna get you, yeah, yeah Get up and use your voodoo  
You know you want it bad  
You wanna lead the way, yeah, you do  
Be the best, you know you can Get up and use your voodoo  
Get your booty to the floor  
You gotta line em up left, right, dont stop  
And leave em wanting more Hey, hey, hey, hey, party-la  
Hey, hey, hey, hey, party-la Get up and use the voodoo  
You know you can Shake up the dance floor, you got perfection  
Get up and use it positively  
'Cause the fevers gonna get you, yeah, yeah Hey, hey, hey, hey, party-la  
Hey, hey, hey, hey, party-la  
Hey, hey, hey, hey, party-la  
Hey, hey, hey, hey, party-la You got to just lose yourself  
Let the magic get you hot  
You got to express yourself  
'Til you're burning on the spot You got to just lose yourself  
Now the magics calling you

And you can express yourself  
Now the voodoos coming through  
Get up and use your voodoo  
You know you want it bad  
You wanna lead the way, yeah, you do  
Be the best, you know you can  
Get up and use your voodoo  
Get your booty to the floor  
You gotta line em up left, right, dont stop  
And leave em wanting more  
Hey, hey, hey, hey, party-la  
Hey, hey, hey, hey, party-la  
Hey, hey, hey, hey
