

# What Do I Have to Do to Prove My Love to You

Marva Whitney

Just last night  
I was reminded of  
Just how bad  
It had gotten and  
Just how sick  
I had become  
But it could change  
With this relationship  
De-de range  
We've all been thru some shit  
And if were a thing  
I think this thing's begun  
Tell me now  
What do I have to do  
To prove my love to you  
Special favors come in 31 flavors  
We're out of mints  
Pass the life savers  
I'm droppin hints  
Candy for candy-coated tongue  
You'd be so good  
So very good for me  
What do you think  
Tell me honestly  
I'm wait wait wait  
W-wait wait  
Waiting for you to come  
Tell me now  
What do I have to do  
To prove my love to you  
I'd do anything  
I'd do it all  
I'd do it all for you  
I'd climb a mountain  
I'd cross the ocean  
I'd do it it all  
To prove my love to you
