# The Wreckoning (pop radio edit

## Boomkat

I came I saw I kicked some ass
The pain I caused it makes me laugh
'Cause the way I do my thing is strange
I just inject myself into your veins
Can't run, can't hide, there's no way out
The sun will rise and its about
Time for the wreckoning
Time time for this girl to singDamn if I thought that you would change
And my life would stay the same
I went you don't even care about me enough
You don't give a damn
Things will come and things will go
But there's one thing that I know for sure
Is that you don't give a damn about me
And so I'm walking out the doorOh yeah hmm..Can't move can't breathe it's getting dark
The beast has come to steal your heart
So you better practice your scream
Because you may not like your dreamThings will will come and things will go
But there's one thing I know for sure
Is that you don't give a damn about me
And so I'm walking out the doorThe wreckoning, the wreckoning, the wreckoning
The wreckoning, the wreckoning, the wreckoningDamn if I thought that you would change and my life would stay the same
I went You don't even care about me you know you don't give a damn
Things will come and things will go
But there's one thing that I know for show
Is that you don't give a damn about me
So tough I'm walking out the doorDamn if I thought you would change and my life would stay the same
I went You don't even care about me you know you don't give a damnAnd I'm running from my problems I got my phony face painted on
And then I think of what you said to me
And then I think of what you did to me
I think of you and probably laugh
And then I think of you and probably laugh
And Then I think of you and problably laughYou're the one I'm running from (chorus)
