Shines Like This

Lamb

Calling me now
Early in the winter
Like a daughter
Singing in the fall
Ever after
Running fast and barefoot
And a treetop
Dancing over allIt shines like this
As one giant kiss
You're a new day
And a roller coaster
Never felt like
Better circumstance
Would you know it
Ever look and show it
In the music
When you start to dance
Come together
Everyone and no one
In November
Just before it snows
Then the blossom
Brings a scent of sweetness
Any weakness
Stronger than we knowIt shines like this
As one giant kiss
