

Without the One You Love

[Aretha Franklin](#)

Baby, I need your good lovin'
Got to have your love right now, baby
So come and fill my empty arms
And make my life worthwhile Because I'm not livin', baby, I only exist
I'll never laugh, I'll never smile no more
Don't care if I stay like this, because Without the one you love, life is not worthwhile
Without your love, my dear, I'm like a fatherless child
So come and fill my empty arms
And make my life worthwhile When I feel the hurt comin' on
I stop and cry like I'm cryin'
(Right now)
People ask why would a grown man cry
I drop my head and I sigh and reply Without the one you love, life is not worthwhile
Without your love, my dear, I'm like a fatherless child
So come and fill my empty arms
And make my life worthwhile (Baby, I need your good lovin')
Sometimes I feel like a wanderer
(Got to have your love right now)
Searching for peace within (Baby, I need your good lovin')
I need you my darling
(Got to have your love right now)
Like a lost soul needs a friend So come and fill my empty arms
And fill my empty life (Baby, I need your good lovin')
Nobody knows the emptiness I feel
(Got to have your love right now)
And I feel it (Baby, I need your good lovin')
Nobody knows the loneliness I feel
(Got to have your love right now)
And I feel it because Without the one you love, life is not worthwhile
Without your love, my dear, I'm like a fatherless child
So come and fill my empty arms
And make my life worthwhile
