

# Ur Cool

## SAARA

Hey I think you're really cool  
I like you a lot  
Maybe we can hang out or somethingHey I think you're really cool  
I like you a lot  
I think you're really cool  
I like you a lot  
I think you're really cool  
I like you a lot  
Maybe we can hang out or somethingBoy, wait a minute this ain't a joke (I picture us together)  
Tied up in a feeling, I don't even know (Could it be the four-letter?)  
I can't dance  
But I'll dance for you  
All that and more  
If you want me to  
(Oh if you only knew)I think you're really cool  
I like you a lot  
I think you're really cool  
I like you a lot  
I think you're really cool  
I like you a lot  
Maybe we can hang out or somethingHey I think you're really cool  
I like you a lot, OK  
I think you're really cool  
I like you a lot  
I think you're really cool  
I like you a lot, OK  
Maybe we can hang out or somethingTake, take a minute, a shot in the dark  
I'll bet you'll get your answer  
Boy, you better believe it  
Right for your heart  
And I kinda like the pressureI can't dance  
But I'll dance for you (Dance for you, you, you)  
All that and more  
If you want me to  
(Oh if you only knew)I think you're really cool  
I like you a lot  
I think you're really cool  
I like you a lot  
I think you're really cool

I like you a lot  
Maybe we can hang out or somethingHey I think you're really cool  
I like you a lot, OK  
I think you're really cool  
I like you a lot  
I think you're really cool  
I like you a lot, OK  
Maybe we can hang out or somethingYou're the only one on my mind  
With you, look me in my eyes  
This heart beats every time  
I ain't got nothing to lose  
All I want is me and you  
So pain is worth a try  
I think you're reallyHey I think you're really cool, I like you a lot  
I think you're really cool, I like you a lot  
I think you're really cool, I like you a lot  
Maybe we can hang out or somethingHey I think you're really cool, I like you a lot  
I think you're really cool, I like you a lot  
I think you're really cool, I like you a lot  
Maybe we can hang out or something baby
