

I Wanna Be Bad

Jessica Sutta

Kizzo, Kizzo, Kizzo
Madame always taught me to behave like this
 Put your hands on your lap
 You wanna be this
 Ooh tsk tsk
 Watch that body , cover that up
 Don't be naughty
 Tone it down
 I'm so tired of that
 with your boom boom cat
 NowNow I'm living it up
 I've got my paycheck
 tryna bring me down
 It's such a shame that
 You can't handle the fact
 That Imma changed em
 You got to go 'cause
I'm about to roll nowI wanna be this, I wanna be that
 I wanna be good, I wanna be bad
 I wanna get mine
 And I wanna have yours
I wanna be the bitch, I wanna be rich
I wanna have this, I wanna have that
 I wanna be good, I wanna be bad
 I wanna be the bitch, I wanna be rich
You wanna tap this, boy you wishBoom boom la la la boom boom
 Boom boom la la la la
I wanna be the bitchYou can push my buttons if you want to
 But believe that
 I'll still be on top of the world
 Top of the world
I'm gonna stand so high in my (censored) Stilettos
 Yeah that's right I said
You better hush you're talking way too much
 NowNow I'm living it up
 I've got my paycheck
 Tryna bring me down
 It's such a shame that
 You can't handle the fact

That Imma change em
