# Beginning To See The Light

## The Velvet Underground

Well, I?m beginning to see the light
Well, I?m beginning to see the light
Some people work very hard
But still they never get it right
Well, I?m beginning to see the light
Wanna tell all you people now, now, now
Baby, I?m beginning to see the light
Hey, now, baby, I?m beginning to see the light
Wine in the morning and some breakfast at night
Well, I?m beginning to see the light
Here we go again, playing the fool again
Here we go again, acting hard again, alright
Well, I?m beginning to see the light, I wanna tell you
Hey now, baby, I?m beginning to see the light
It's kinda softer now
I wore my teeth in my hands
So I could mess the hair of the night
Hey, well, I?m beginning to see the light
Now, now, now, now, now, now, now, now
Baby, I?m beginning to see the light, now
It's kinda softer, hey, now, baby
I'm beggining to see the light
I met myself in a dream
And I just wanna tell you, everything was alright
Hey now, baby, I?m beginning to see the light
Here comes two of you
Which one will you chose?

One is black and one is blue
Don?t know just what to do, alright
Well, I?m beginning to see the light
Alright, here she comes
Hey, hey, baby, I?m beginning to see the light
Some people work very hard
But still they never get it right
Well, I?m beginning to see the light
Oh, it's getting little softer in here now
Now, now, baby I'm beginning to see the light
Oh, it's coming 'round again

Hey now, now, now, baby, I?m beginning to see the light
One more time
There are problems in these times
But, ooh, none of them are mine
Oh, baby, I?m beginning to see the light
Here we go again
I thought that you were my friend
Here we go again
I thought that you were my friend
How does it feel to be loved?
How does it feel to be loved?
How does it feel to be loved?
How does it feel to be loved?
How does it feel to be loved?
How does it feel to be loved?
