

Sunshine

Alice In Chains

One, a-one time, yeahAm I too contagious
Full of sick desire
Am I that I promise
Burning corpsed pyreThen some dude came down to touch the mother
Mother touched and dude ain't here no more
Suck your woman downAm I your reflection
Melting mirror smile
Am I worth the value
Do my love defileThen some dude came down to touch the mother
Mother touched and dude ain't here no moreAin't no day the sun don't crack
Then to brand some name across my back so you care
Find someone to tell youSunshine
Sweet love my labor
Don't mind
I don't care no moreMemory, set me free, yeah
I don't care no more
Mother please, come for me, yeahCan you face the question?
Is my soul entire?Sunshine
Sweet love my labor
Don't mind
I don't care no moreSunshine
Sweet love my labor
Don't mind
I don't care no more
