Don't Call Me Baby

Madison Avenue

Don't call me baby, don't call me baby
You and me, we have an opportunity
And we can make it something really cool
But you, you think I'm not that kind of girl
I'm here to tell you baby, I know how to rock your world
Don't think that I'm not strong, I'm the one to take you on
Don't underestimate me boy, I'll make you sorry you were born
You don't know me the way you really should
You sure misunderstood
Don't call me baby, you got some nerve and baby that'll never do
You know I don't belong to you
It's time you knew I'm not your baby
I belong to me, don't call me baby
Behind my smile is my IQ
I must admit, this does not sit, with the likes of you
You're really sweet, you're really nice
But didn't mama ever tell you not to play with fire?

Don't think that I'm not strong, I'm the one to take you on
Don't underestimate me boy, I'll make you sorry you were born
You don't know me the way you really should
You sure misunderstood
Don't call me baby
You got some nerve and baby that'll never do
You know I don't belong to you
It's time you knew I'm not your baby
I belong to me, so don't call me baby
You got some nerve and baby that'll never do
You know I don't belong to you
It's time you knew I'm not your baby
I belong to me, so don't call me baby
Don't call me baby, don't call me baby
Don't call me baby, don't call me baby
Don't call me baby, don't call me baby
