

# Here I Am

**John Nolan**

Let's build something.  
Let's follow through on an idea.  
Regardless of its relevence,  
Its weight, or its meaning.No, we don't have much time.  
Let's leave something behind.  
If it's wrong or it's right.  
It's not ours to decide.Come on, come on.  
Come on, come on.  
Come on.Say something to me.  
I want to hear you.  
Do what you need to.  
I just want to see you.Come on, come on.  
Come on, come on.  
Come on.Here I am, let's dance.  
Here I am, let's pretend.  
Here I am, let's start  
Over and over again.
