

Funnel of Love

Demented Are Go

Here I go pulling down down down
My mind is blank
My head is spinning around
As I go deep into the funnel of love It's such a crazy crazy feeling
We get on the knees
My poor head is a reasing
As I go deep into the funnel of love I tried and tried to run and hide
Even tried to run away
Just can't hide from the funnel of love
It gonna get you one day
It's such a crazy crazy feeling
We get on the knees
My poor head is a reasing
As I go deep into the funnel of love I tried and tried to run and hide
Even tried to run away
Just can't hide from the funnel of love
It gonna get you one day
Here I go pulling down down down
My mind is blank
My head is spinning around
As I go deep into the funnel of love love love love love love
