

Suerte

Ainhoa

Lucky you were born that far away so
So we could both make fun of distance

Lucky that I love a foreign land for
The lucky fact of your existence
Baby I would climb the Andes solely
To count the freckles on your body
Never could imagine there were only
Ten million ways to love somebody

Lo ro lo le lo le

Lo ro lo le lo le

Can't you see?

I'm at your feet

Whenever, wherever

We'll learn to be together

I'll be there and you'll be near

And that's the deal my dear

They're over you're under

You'll never have to wonder

We can always play by ear

But that's the deal my dear

Lucky that my lips not only mumble

They spill kisses like a fountain

Lucky that my breasts are small and humble

So you don't confuse them with mountains

Lucky I have strong legs like my mother

To run for cover when I need it

And these two eyes are for no other

The day you leave we'll cry a river

Lo ro lo le lo le

Lo ro lo le lo le

At your feet

I'm at your feet

Whenever, wherever

We're meant to be together

I'll be there and you'll be near

And that's the deal my dear

They're over you're under

You'll never have to wonder

We can always play by ear
But that's the deal my dear
Lo ro lo le lo le, lo ro lo le lo le
 Think out loud say it again
 Lo ro lo le lo le lo le
 Tell me one more time
That you'll live lost in my eyes
 Whenever, wherever
 We'll learn to be together
I'll be there and you'll be near
 And that's the deal my dear
 They're over you're under
You've got me head over heels
 There's nothing left to fear
If you really feel the way I feel
 Whenever, wherever
 We're meant to be together
I'll be there and you'll be near
 And that's the deal my dear
 They're over you're under
You've got me head over heels
 There's nothing left to fear
If you really feel the way I feel
