

# I Did It For Us (featuring Jenny Flory)

## Shrub

from the very, very, very, very first time,  
i laid my eye, eye, eyes on this prize,  
i knew, right then, hell yeah, i knew,  
i fell madly in love, yeah, and you did too. Your nice hips, that, i could hold onto,  
and crazy deep blues, I could look into.  
and those sweet lips, i could bite into,  
you might of been a little crazy, yeah, but I was too. you might of gone a little mad, yeah, but i did too.  
you used to always call me lazy, yep, and I was too.  
you always bitching, complaining, and moping too,  
drove me right out the house, yep, i'm blaming you. so tell me Jay.  
now tell me Jay.  
so tell me Jay.  
tell me Jay. what you gonna do with your life?  
what you gonna do with your wife?  
what you gonna do when it's late at night?  
and your daughter asks why does her dad cry?  
but you have no reply. it makes no sense now.  
but maybe some day,  
maybe some way,  
maybe one day, it makes no sense now.  
but maybe some day,  
maybe some way,  
maybe one day, you will overstand and understand,  
i did this for love,  
i did it for love  
i did it for us. and you will overstand and understand,  
i did this for love,  
i did it for love  
i did it for us. you see 'cause everyday i loved you just a little bit more,  
a little bit more, a little bit more.  
and i said everyday, i loved you just a little bit more,  
but you loved me the same. used to be my best friend, used to be my girl,  
used to be my angel, you used to be my world.  
kinda funny how things changed, rearrange,  
funny how things seem to always stay the same?  
kinda funny how things just can't be explained,  
you know you're in pain, but there's no other way. so tell me girl, hey.  
now tell me girl. yeah. what you gonna do with your life?  
what you gonna do as my wife?

what you gonna do when it's late at night?  
and your daughter asks why does her mom cry?  
but you have no reply.it makes no sense now.  
but maybe some day,  
maybe some way,  
maybe one day,it makes no sense now.  
but maybe some day,  
maybe some way,  
maybe one day,you will overstand and understand,  
i did this for love,  
i did it for love  
i did it for us.and you will overstand and understand,  
i did this for love,  
i did it for love  
i did it for us.
