

# In The Stone (Allee Willis)

## Earth, Wind & Fire

I found that love provides the key  
Unlocks the heart and souls of you and me  
Love will learn to sing your song  
Love is written in the stone Every man, I meet is walking time  
Free to wander, past his conscious mind  
Love will come and take you home  
Love is written in the stone Do you believe, my friend, in what you claim  
People of the world, all doubt the same  
Bringing questions of their own  
Truth is written in the stone In the stone, you'll find the meaning  
You're not standing tall  
In the stone the light is shining  
Ever touching all Life experience a passing day  
Time will witness, what the ole folks say  
Getting stronger every day  
Strength is written in the stone Deep inside your hearts for you to keep  
Lies a spark of light that never sleeps  
The greatest love you've ever known  
Yeah is written in the stone In the stone, you'll find the meaning  
You're not standing tall  
In the stone the light is shining  
Ever touching all Never, never my darling, never you'll be alone  
Never, never my darling, never you'll be alone  
Ever forever my darling  
True love is written in the stone Never, never my darling, never you'll be alone  
Ever forever my darling  
True love is written in the stone Never, never my darling, never you'll be alone  
Ever forever my darling  
True love is written in the stone Never  
Ever  
Written in the stone Never  
Written in the stone Never
