

Precious Memories

[Alan Jackson](#)

Precious memories, unseen angels
Sent from somewhere to my soul
How they linger, ever near me
And the sacred past unfoldsPrecious memories how they linger
How they ever flood my soul
In the stillness, of the midnight
Precious sacred scenes unfoldPrecious father, loving mother
Fly across the lonely years
And old home scenes of my childhood
In fond memory appearsPrecious memories how they linger
How they ever flood my soul
In the stillness, of the midnight
Precious sacred scenes unfoldI remember Mother praying
Father too, on bended knee
The sun is sinking, shadows falling
But their prayers still follow mePrecious memories how they linger
How they ever flood my soul
In the stillness, of the midnight
Precious sacred scenes unfoldPrecious memories fill my soul
