Yk Osiris

You tellin me you love me but I know you don't
You tellin me you want me but I want you more
You want to kiss me hug me, I just want your soul
You tellin me you need me but I need youBut I got you
But do you got me
Baby, I'd ride for you
But would you ride for me
Baby, I would die for you
But would you die for me
Look me in my eyes and see how much you mean to meYou tell me that you love me but I know you don't
You tell me that you want me but I want you more
You want to kiss me hug me, I just want your soul
You tell me that you need me but baby girl I need you more
Girl I know you poppin but we me you get it on
I put you in designer just so you can take it off
I turn my phone off because I know it turns you on
I got a lot of money baby I just need your love
You know that you are mine girl
Just know you on my mind girl
They blowin up my line girl
They tryna waste my time girl
But I ain't got no time girl
No time to be wastin
Cuz they for the greedy
Baby I can taste itDo you really love me so
Tell me cuz I need to know
Do you really care enough
Cuz I really am in love
You tellin me you love me but I know you don't
You tellin me you want me but I want you more
You want to kiss me hug me, I just want your soul
You tellin me you need me but I need youBut I got you
But do you got me
Baby, I'd ride for you
But would you ride for me
Baby, I would die for you
But would you die for me
Look me in my eyes and see how much you mean to meYou tellin me you love me but I know you don't
You tellin me you want me but I want you more

You want to kiss me hug me, I just want your soul
You tellin me you need me but I need youTryna waste my time
You know you on my mind
Do you wanna be mine
Be my valentine
