

# Not Giving Up On Love

Armin van Buuren

I know you're feeling restless  
Like life's not on your side  
It's weighing heavy on your mind But when we stand united  
Our hearts, they beat in time  
I know we'll make it all alright Let's bring it back to you and me  
There's no one else around  
Now don't get lost in gravity 'Cause I want you to hold me now  
Nothing else matters  
It's just the two of us And if it all falls down  
Nothing else matters  
I know we're strong enough I'm not giving up  
I'm not giving up on us  
I said, I'm not giving up  
I'm not giving up on love We're of the same existence  
No lock without a key  
We can't deny it's meant to be  
'Cause I feel it inside Taking over tonight  
I'll be there when the storm is breaking  
In this moment I'm yours  
You can always be sure  
That together we're gonna make it So baby, won't you hold me now?  
Nothing else matters  
It's just the two of us And if it all falls down  
Nothing else matters  
I know we're strong enough I'm not giving up  
I'm not giving up on us  
I said, I'm not giving up  
I'm not giving up on love Hold me now  
Nothing else matters  
It's just the two of us And if it all falls down  
Nothing else matters  
I know we're strong enough I'm not giving up  
I'm not giving up on us  
I said, I'm not giving up  
I'm not giving up on love
