Man Up

Nikki Lane

Where do you think I'm getting all these flowers?
You've been watching T.V. for hours and hours
Don't you ever think our love has gone and fade
I'm supposed to be a girl, I don't wanna be a lady

Better take a hard luck before I say good-bye
You better get up your ass, you better man up
I'm gon' have to be the one who acts tough
You better love me like like you can't get enough like
Only thing that makes you feel so good
If you find someone you know, and man up

My roof's been leaking since last July
That bucket's full of the tears that I cried
I gotta find some place that's nice and dry
My dear momma, she said my oh my
My ma ma man up, better grab his ducks and fly
Don't take his hard luck
I had to say goodbye

You better get up your ass, you better man up
I'm gon' have to be the one who acts tough
You better love me like like you can't get enough like
Only thing that makes you feel so good
If you find someone you know, and man up
