

Perfect Circle (Unplugged 1991)

R.E.M.

Put your hair back we get to leave
Eleven gallows on your sleeve
Shallow figured winner's paid
Eleven shadows way out of place
Standing too soon, shoulders high in the room
Standing too soon, shoulders high in the room
Standing too soon, shoulders high in the room
Pull your dress on and stay real close
Who might leave you where I left off?
A perfect circle of acquaintances and friends
Drink another, coin a phrase
Heaven assumed, shoulders high in the room
Heaven assumed, shoulders high in the room
Heaven assumed, shoulders high in the room
Try to win and suit your needs
Speak out sometimes but try to win
Standing too soon, shoulders high in the room
Standing too soon, shoulders high in the room
