

Personal

Olly Murs

Verse 1

You walked through the door

Girl where were you

You been here before

It's nothing new

Your wearing cologne

It's not your's

Who?

Are you spending time with

I want the truth

huhChorus

I got a question

How many lies?

Question

How many times?

Question

Did you wanna lie?Please forgive me, if i can't forgive anymore

I guess i'm taking it personal

Life without you is better than life before

I guess i'm taking it personalListen

Listen to my head

Listen

And not to my heart

Listen

Seems like the ends about to start

Yeah

You think your caught, you but not anymore

I guess i'm taking it personalVerse2

Where do i start

Look at you now

The lipstick you wear

Not on your mouth

The scent of your skin

Is somewhere else

I don't need to ask

I can't help myselfChorus

I got a question

How many lies?

Question

How many times?
Question
Did you wanna lie? Please forgive me, if i can't forgive anymore
I guess i'm taking it personal

I guess i'm taking it personal Verse 3
Cos this is what is
This is where are
Get back in your car
And drive back to where you came from
There's nothing left to say
Nothing left to do
I'm not gonna change
I'm not anyway
No Listen
Feel like the end has started
And y'know what?
Funny i'm not broken hearted Chorus
I got a question
How many lies?
Question
How many times?
Question
Did you wanna lie? Please forgive me, if i can't forgive anymore
I guess i'm taking it personal
Life without you is better than life before
I guess i'm taking it personal Listen

Listen
And not to my heart
Listen
Seems like the ends about to start
Yeah
You think your caught, you but not anymore
I guess i'm taking it personal
