

# Fire In Cairo

## The Cure

Slowly fading blue, the eastern hollows  
Catch the dying sun, night time follows  
Silent and black mirror pool  
Mirrors the lonely place where I meet you  
See your head in the fading light  
Through the dark your eyes shine bright  
Burn like fire  
Burn like fire in Cairo  
Burn like fire  
Burn like fire in Cairo  
Shifting crimson veil, silken hips  
Slide it under my hand, swollen lips  
Whisper my name and I yearn  
You take me in your arms, start to burn  
FIRE IN CAIRO  
FIRE IN CAIRO  
FIRE IN CAIRO  
Then the heat disappears and the mirage fades away  
FIRE IN CAIRO  
FIRE IN CAIRO  
FIRE IN CAIRO  
FIRE IN CAIRO  
FIRE IN CAIRO  
FIRE IN CAIRO  
FIRE IN CAIRO  
FIRE IN CAIRO  
Burn like fire in Cairo, burn like a fire in Cairo  
Burn like a fire fire fire fire fire  
Blaze like a fire in Cairo  
Blaze like fire fire fire fire fire, flare  
Burn like fire  
Burn like fire in Cairo
