

When You Love Someone

Kenny Rogers

When you love someone
You'll do anything
You'll do all the crazy things
That you can't explain
You'll shoot the moon
Put out the sun
When you love someone You'll deny the truth
Believe a lie
There'll be times
That you'll believe
That you can really fly
But your lonely nights
Have just begun
When you love someone When you love someone
You feel it deep inside
And nothin' else could
Ever change your mind When you want someone
When you need someone
When you love someone
